

Building Solutions That Build Worth

THE CHALLENGE

A major super market moved out of the space leaving 1,000,000 square feet vacant.

THE MKR SOLUTION

We immediately began adapting the space for the new owners and managers to welcome prospective tenants.

THE RESULT

A major motion picture was filmed on location utilizing over 300,000 square feet of office and warehouse space. The atmosphere and appearance has attracted attention and interest for other major film projects.
